

# Equine Emergency Evacuation of Yavapai County

## Preparedness Check List - Family

**Family – The Volunteer’s Family** should be prepared. All family members should know where these items are and should have a family evacuation drill. These items should be in a dry accessible place and are in addition to the Volunteer’s “Go Bag”.

- Maintain Safe Emergency Water Supply (minimum 3 days for evacuation, 14 for home.)
- Maintain Emergency Food Supply (minimum 3 days for evacuation, 14 for home.)
  - Food should be non-perishable, easy to prepare, rotate stock so it stays in date.
  - Keep in easily accessible place that seems least disaster-prone.
- Flashlight and extra batteries or solar.
- Battery powered or solar/hand crank radio and cell phone charger.
- First Aid Kit for humans and animals.
- Personal and pet medications and related supplies (batteries for hearing aid, syringes for injectable drugs, extra reading glasses, vet wrap, etc.) for 7 days
- Multi-Purpose Tool for shutting off power, gas and water.
- Sanitation and personal hygiene items (toilet paper, ‘baby wipes’, shampoo, etc.)
- Keep copies of the following documents. Consider storing copies in cloud and originals in safety deposit box or a Fire Proof Strong box:
  - Medication List and Pertinent Medical info (Doctor and phone number, health insurance, etc.)
  - Proof of Address
  - Deed to Home or lease agreement.
  - Passports
  - Birth certificates
  - Social Security cards
  - Insurance policies
  - Family and Emergency Contact information
  - Video of house and property
- Cell Phone and Chargers, solar and car plug-in
- Extra Cash (Note: if ATMs are not working, you will need cash)
- Blankets, Sleeping Bags and Pillows
- Maps of the area
- Two Way Radio (walkie-talkies or better)
- At least two or three changes of clothes
- Shoes and boots
- Spare house, property and vehicle keys
- Duct Tape
- Liquid Household Bleach without any perfumes, dyes or additives (at least one gallon)
- Entertainment items: playing cards, musical instrument, sketchbook, journal, knitting
- Basic Tool kit: hammer, nails, screw drivers (Philips and Slot), adjustable wrench, bolt cutters
- Full fuel tank(s), jumper cables and spare tires/jack in all evacuation vehicles
