Dispatch Initials: _____

- **If this request originated with EEE/IC-Operations:** Upon approval, contact EEE Comms to originate a mission.
- **If this request originated from a 'Request For Assistance' from the public:** Dispatch will contact the Evacuation Lead or Co-lead to Determine the optimal rig for the mission. This will be based on proximity to the location of the animal(s) and the number of trailer slots required.
- **If Evacuation Lead or Co-lead is unavailable:** Dispatch will contact Comms to select a rig for the mission.
- **If mission location is behind a roadblock:** Comms must obtain approval from IC via the EEE IC Liaison before mission can be deployed.
